Subject: Oak Ridge Community

Dear Mr. [Name],

I am concerned about the possibility of losing Oak Ridge Laboratory's unique
status as a community, yet I understand the need for change.

When you state that Oak Ridge Laboratory has never been fully integrated
into America, I don't see the solution being proposed into the program.
We could not through a National Peace Academy, to have legislation
repealed, and human rights with no end. Our nation needs a great
deal of peace and unity, who can teach people how to live with peace
and unity.

Very Sincerely,
Gary S. Hartman
